

WORK WHERE YOU LIVE

HELPING BUSINESSES CONNECT WITH LOCAL RESIDENTS FOR COMPETITIVE ADVANTAGE

WE CAN SUPPORT YOU TO RECRUIT LOCALLY FROM YOUR COMMUNITY

- **Flexible Staff:** Staff who live locally can cover unsociable shift patterns and get to work in the snow
- **Support the diversity agenda** and recruit from communities not usually represented in your workforce
- **Widen the talent pool:** Open up an untapped market and recruit people with new ideas
- **Corporate Social Responsibility:** Lead the way in responsible business practices
- **Save money:** We won't charge you for this resourcing process
- **Know your customers:** local people are often your customers; they can help you to understand them too
- **Healthy workforce:** Staff who have not travelled far to work will be less stressed and have a better work-life balance
- **Bidding for contracts?** Having a diverse workforce and a commitment to responsible business will help you

Connecting companies with local people

↓ WHAT CAN WE GET INVOLVED IN?

Work with us to develop a bespoke package so you can recruit people with the right skills, knowledge, attitude and training

- Attend local employment fairs
- Offer vacancies through your local community centre
- Offer work placements, volunteering opportunities, taster sessions
- Help people with CV writing or interview skills

↓ HOW TO GET INVOLVED?

Contact the Be Involved team for a chat about your future plans and how we can support you.
