

...our figures speak for themselves

Take a look at the different ways we work together to help communities every year.

Be our friend

Let's talk about how we can start working together. We're bursting with ideas about how you can support us and how we can support you in return.

Rewarding opportunities for your business...

Be Involved was established in 2004 and is the business engagement programme for Bradford. We believe that businesses have a vital role to play in helping Bradford communities and contributing to the social and economic regeneration of Bradford District. We are continually developing our community and business partnerships, exploring new ways of working and ensuring that our services are available to everyone, regardless of their ability to pay.

So, whatever size or sector, whether your interests lie in helping to create the workforce of the future or in tackling crime in your local area, we have some simple, practical and exciting opportunities for your business to be involved.

...invaluable help for local communities

Your sponsorship will allow us to continue to work in the community and to:

- Develop active citizenship through employee volunteering and developing community business partnerships across Bradford District.
- Help make community organisations in the most deprived areas of Bradford more sustainable through the transfer of skills, expertise and resources from the private sector.
- Positively impact on the educational attainment, skills and employment opportunities of people in the most disadvantaged communities.
- Improve the environment and community buildings in disadvantaged communities through team volunteering, pro bono work, sponsorships and donations.

Be our friend and let's start working together

There are lots of reasons to be involved

Here are just a few...

- Develop staff and managers through team and individual volunteering
- Raise your profile, reaching new communities and potential customers
- Generate positive PR and enhance your reputation
- Involve your workforce in fun and challenging activities
- Help to create a thriving economy in Bradford District.

However much you can afford to give, your sponsorship ensures our community projects can grow and grow to help more and more people.

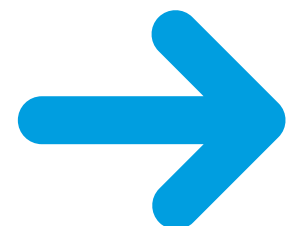

Be Involved Best Friends – donate £10,000 and above
